Good morning!

Don't put off until tomorrow what you can do today.

To procrastinate

I usually put off creating my presentations.

What do you usually put off until the last minute?
How long does it take you to get to Trellus?
How long did it take you to get ready this morning?
How long does it take you to eat lunch?
How long does it usually take you to fall asleep?

Does she/he like to 3s
Is she/he going to 3s
Has he/she ever 3s

Problem/wish

After I moved to Chicago, it took me a long time to get used to…

After I moved to Chicago, it took me a long time to get used to paying for parking.
After I moved to Chicago, it took me a long time to get used to seeing homeless people on the street.

After I started working at Trellus, it took me a while to get used to working without an office.

Why did it take you a long time to get used to…
It took me a long time to get used to.
